

## Government of Georgia Intends to Finance Master Programmes in Worldwide Universities for Georgian Post-Graduate Students

**Development and Reforms Fund** is pleased to announce **MA Program for 2010-2011**.

Every Georgian Citizen who holds bachelor's degree and is under 40 may apply for the scholarship for MA Program 2010-2011. The main condition is to get an admission from the University that is listed in the officially approved list of Universities of Development and Reforms Fund (List of universities is available on [www.drf.org.ge](http://www.drf.org.ge)).

After an applicant gets an official admission letter, he/she must submit the online registration form on the web-page of Development and Reforms Fund until June 1, 2010. When all required documents are submitted, an applicant will be interviewed by the Special Commission. Members of Special Commission are selected by the Supervisory Board of Development and Reforms Fund. Final decision on amount of scholarship will be made in a week after an applicant will be interviewed.

Required documents:

- Personal Information
- Education
- Diplomas
- Working experience
- Referees
- Motivation letter
- Amount of requested grant and estimate
