

## Government of Georgia Intends to Finance Master Programmes in Worldwide Universities for Georgian Post-Graduate Students

- Ministry of Education and Science of Georgia (“MES”) has allocated GEL 3,500,000 for financing master programmes in worldwide universities.
- Financing will be complete grant, intended for Georgian post-graduate students.
- Financing will occur via Fund for Development and Reforms (“Fund”) under the Administration of the President of Georgia.

### Grant terms and conditions

- Every Georgian student (under 40 years old) will receive a grant after submitting an official admission letter and information about a scholarship, if any.
- Grant will cover all costs related to education including transportation costs, tuition fees, leaving expenses etc.
- Grant will be issued without any prior conditions, such as, returning to Georgia, working in Georgian state sector, etc.
- Grant will be issued according to the master programme tuition payment arrangement, i.e. either based on installments or one-time payment.
- MES will support candidates in grant approval process - providing full information about the necessary documents for submitting application.
